Thank you. So the timing and agenda have nothing to do with recent expressions of concern regarding the ROD and future property owner financial liability during O&M? Are those concerns expected to be addressed with county officials?

Good Morning John,

The purpose of the Visit is in response to a request from Senator Testers office to Visit the Columbia Falls Site. Doug also wanted to visit the Libby site therefore we tied the two site visits together.

Hi Richard,

I've heard that Doug Benevento is schedule to visit Libby in June. Can you please provide the timing and agenda of his visit, including any public meetings he might be attending, such as the commissioner's meeting?
